WE DELIVER SOLUTIONS WORLDWIDE

The ideal solution – that’s our objective with every logistics challenge. In our industry, each individual job requires specific expertise, local presence and complete, one-stop solutions. It’s vital to get a perfectly-tuned network and a single provider for all modes of transportation working for you. One Frieight Express operates an impressive global network Worldwide. But that in itself does not make a company special. It’s factors like sector-specific expertise, an intelligent modal split, and a wide range of value-added logistics services that make the difference. Not to mention the excellent quality and safety standards as well as internationally networked IT systems that complete the picture of ofe global professionalism. But our success – past, present and future – is due above all to the determination and commitment of our highly skilled and motivated workforce.

As a logistics provider, we constantly strive to find new responses to customers’ complex needs. We can be proud of our past record – but are determined to do even better in the future. We have just one goal: satisfied our customers. And that’s why our employees worldwide always devise the optimal solution to every logistics challenge – we’ll make it happen!

Air Service Transportation

When you have an experienced team of air freight specialists delivering on your daily priorities for time, space, frequency and cost, you have the Logistics Plus brand of personal service.

We listen, learn and form a close partnership with you to identify your needs and understand your goals. Our standard air freight services and their customized options bring added flexibility to your supply chain. Whether we're taking extra measures for your sensitive cargo or giving you added supply chain visibility through our online tracking tools, Logistics Plus air freight experts are looking to build your trust as they look after your cargo.

We are the promoters and AWB stock holders for Bangladesh Airlines, British Airways, Cathay Pacific, Air China, American Airlines, Air France, Emirates, Etihad Cargo, Eva Air, Gulf Air, KLM Cargo, Korean Air, Kuwait Airways, Pakistan International Airlines, Lufthansa Cargo, Malaysian Airlines, Qatar Airlines, Oman Air, Saudia Airlines, Swiss Air, Thai Airways, and Turkish Airlines etc.

Ocean Service Transportation

When you have ocean freight professionals matching frequent sailings and flexible service options to your specific business objectives, you have the Logistics Plus brand of personal service.

The major thrust area for us at the moment is to promote ocean business specially; ocean exports whether it is LCL, FCL or OTC/ODC, GOH, PART GOH, FMO po/package, X-Dock, SRI po/package etc.

We can ensure due importance and care to any kind of freight. With our domestic Network covering all major ports and Inland Container Depots there in Bangladesh. We have an edge and advantage over competition. We have confined slots directly with the Shipping lines through agreements or through NVOCCs to ensure competitive pricing and confirmed load ability for planned vessels irrespective of freight being LCL or FCL.

Needless to mention, we have a team of professionals to handle documentation for all kind of commodities especially Garments, pharmaceuticals, Handicrafts, Lather Goods Bulk etc.

Warehousing and Distribution

Our strategic warehousing location combined with best in class design tools, processes and systems ensure cost efficient fulfillment solutions.

Our dedicated warehouse solutions are just the right size, in just the right place, for just the right length of time.

- Warehouse Facilities
- 24 hours All Weather Customs
- Supply Chain Management (SCM) Distribution/Local Logistics & Delivery Facilities and Ground Handling
- Electronics Documentation Processing Network

LOGISTIC SOLUTION WAREHOUSING / DISTRIBUION AND 3PL SERVICE

We fully realize the importance and potential of this activity. For last few years, the business model as desired by the customers has completely changed and they would seek a "SINGLE WINDOW" Solution for the requirements. In view of above, we have set up warehouses at all locations and we can warehouse assignments from as. The distribution system can be custom made as per DDU, DDP, DAP of the customer's from EXW, FOB & CIF to over the world.

Project Cargo

Bangladesh is becoming 'Project Cargo' destination and origin both. We have been in this field for couple of years; we have successfully completed couple of project shipments to CIS countries with deliveries.

Import Project Cargo

we have the capability and experienced team to handle the perfection. We however, for Import Project Handling have been outsourcing from the most capable vendors of ours as well.

Exhibition Cargo

We have been handling Exhibition Cargo for few years now. Whether it is 'ATA Carnet' (without custom return after exhibition) shipment or in general we have the proven record, capability and capacity to handle the referred, Time sensitive cargo to custom clear and deliver to site within one working day (for ATA Carnet) and others within two working days to General Cargo subject to all documents in order. We have the requisite proven experience for Imports as well Exports shipments as well as our In – House

brokerage team help us to do it more professionally and on timely basis.

Chartering

This is one of the key areas for our development of business. We have successfully been able to handle Air Charters to Europe, USA, Canada and Asia subcontinent. We have proven capacity and capability to Air Charter anything from Bangladesh to anywhere in the world and can also arrange door deliveries in most of the places around the globe.

We can also arrange for necessary permissions for operating charters from Bangladesh from Civil Aviation Ministry and to expand further on this business, we are keen to represent Charter Operators / Brokers for I.A operation.

Ground Freight Transportation

When you have a trusted ground freight partner who knows as much about your business goals as transportation issues in your region, you have the Logistics Plus brand of personal service.

Through clear communication, thoughtful collaboration and dedicated follow-through, our road freight management teams seek to understand your objectives and create solutions that deliver. We combine simple, standardized ground freight services with a host of customized options to achieve the ideal balance of lead-time, capacity, frequency and cost. Whether it means providing same day delivery or hauling hazardous cargo, your logistics Plus freight specialists know the key to a successful supply chain is a committed relationship with our customer.

Sales Promotion

With very strong, reliable and productive sales team, we ensure that each and every sales lead as received is very effectively followed up with the customer and timely feedback is given to the overseas associates.

We do reciprocate this with giving them sales leads for customer and potential customers known to us. These activities definitely help to know the market situation and also help to secure more business for mutual benefits.

We also propose, undertake and encourage sales visits by overseas associates and vice-versa to know each other's set up and also to promote business among ourselves for mutual benefit.
